

— AN AUSCI UNDERGRADUATE SCH

# From Indonesians. In Indonesia. For Indonesia.

BISA — Beasiswa Ijazah Sarjana AUSCI is a one-year bridge of tuition support, mentorship, and real-world experience for need-based undergraduates who refuse to let a tuition bill have the last word on their degree.

● Officially announced 24 June 2026

● Recruitment opens early 2027

— BACKGROUND

## Why BISA exists

Every year, thousands of capable Indonesian students stop just short of the finish line — not for lack of ability, but for lack of funds. BISA was built to catch students right at that breaking point.

**3.57 Million**

high school graduates do not continue on to higher education each year

**25.55%**

of students who drop out cite "lack of funds" as the reason

**375K**

Indonesian undergraduates drop out every year, mainly for financial reasons

**6<sup>th</sup>-7<sup>th</sup>**

semester is when most dropouts happen — right before graduation

# What BISA is working toward

## A Network of Excellence

Strengthen AUSCI's alumni ecosystem by fostering collaboration, mentorship, and knowledge transfer between alumni and society.

## Indonesia Emas 2045

Empower Indonesia's young generation by supporting future leaders with advanced skills, global exposure, and a strong commitment to national progress.

## From Indonesians, in Indonesia, for Indonesia

Grounded in local strength — a scholarship built by Indonesians, developed in Indonesia, with a mission to give back to Indonesia.

# Who can apply

BISA is built for need-based undergraduates who are already proving themselves in the classroom and on campus.

- ✓ Indonesian citizen
- ✓ Completed at least four semesters at a reputable university
- ✓ Minimum GPA of 3.00 / 4.00
- ✓ Comes from a financially disadvantaged family
- ✓ Not currently receiving any other scholarship, including KIP Kuliah
- ✓ Actively involved in campus or community organizations
- ✓ Demonstrates good conduct and character

## UNIVERSITY REFERRAL

A pilot partnership with Universitas Indonesia (UI) in BISA's first year – the university itself submits a shortlist of eligible candidates. The partnership may expand to more universities in future years.

## ALUMNI REFERRAL

Any AUSCI alumna or alumnus ("Trojan") can endorse a prospective candidate as a shortlisted applicant, including students from universities outside the pilot partnership.

# What you'll need to apply

## ACADEMIC STANDING

### Keep your GPA on track

- Maintain a minimum GPA of 3.00/4.00 for the past four semesters
- Commit to sustaining at least a 3.00/4.00 GPA throughout the study period
- Academic transcript required

## DOCUMENTS

### Paperwork to submit

- Salary slip or income statement
- Family Card (KK)
- Police Clearance Certificate (SKCK)\*
- Medical certificate and drug-free certificate\*
- Commitment statement letter\*

*\*Required for contract signing once selected*

## ESSAY

### Tell your story (500–1000 words)

- Your personal background
- Why you need the scholarship
- Your vision for contributing after graduation

## COMMITMENTS

### What you're signing up for

- Organizational and/or leadership experience
- Willingness to take part in an interview
- Sign a commitment statement
- Join mentoring, coaching, personal development, and community service activities
- Submit a video based on a theme set by the committee

## BENEFITS

### What BISA covers

Financial support designed to cover the gap that pushes students to drop out – plus the mentorship and experience that help them graduate strong.

#### At cost

##### Tuition Support

Covers tuition in full for two semesters (6th–7th)

##### Living Allowance

Paid monthly for 12 months

##### Professional Development

At cost, for one professional certification or international conference

##### Undergraduate Thesis Support

One-time, released once your advisor approves your proposal

## BEYOND THE CLASSROOM · 01

### Mentorship: Trojans × Awardees

- One-on-one and group mentoring with USC alumni – career and life guidance, problem-solving, nationalism and ethics
- Quarterly check-ins reviewing academics, leadership, and contribution
- Access to the Trojan network

## BEYOND THE CLASSROOM · 02

### Internship / Real Project

- Internship placement or project-based assignment at a Trojan's company
- Clear output: a project report and presentation day, strengthening your work portfolio
- Goal: real-world professional experience before graduation

# How awardees are selected

Two referral tracks feed into a single, four-step selection process.

## TRACK 1 · UNIVERSITY REFERRAL

Partner universities – starting with the pilot partnership with Universitas Indonesia – submit a shortlist of eligible scholarship candidates.

## TRACK 2 · ALUMNI REFERRAL

Trusted Trojans recommend prospective candidates from universities outside the pilot partnership.

1

### Shortlisting

AUSCI reviews both tracks and selects the Top 10 candidates.

2

### Video Submission

Shortlisted candidates submit a video based on a theme set by the committee.

3

### Final Interview

Candidates meet with the AUSCI selection committee.

4

### Announcement

Awardees are announced – supporting at least 6 scholars in the program's first year.

## 24 June 2026

BISA is officially announced, launched in the presence of USC President Beong-Soo Kim.

## Early 2027

Recruitment and PR activities commence – application details will follow.

## Know someone BISA could change everything for?

Whether you lead a university partnership office or you're a Trojan ready to refer a student, BISA starts with a recommendation.
